

## SECURITY NOTICE FOR VISA VISITORS

**You MUST be aware of these requirements or you won't get in!**

Large bags, such as backpacks, suitcases or packages are not allowed within the Embassy grounds. Nor are weapons or any objects which could be used as weapons. Please also do not bring mobile phones or any other electronic devices, such as Blackberries, iPods, PDAs or remote-entry automobile key "fobs" to the interview as they are not allowed within the Embassy. There are a limited number of keyed lockers where visitors may leave personal items at their own risk; however, these are on available on a first-come-first-serve basis and an applicant may risk forfeiting an appointment if a locker is not available for his use.

Applicants who have appointments may be admitted up to 30 minutes before or 30 minutes after their scheduled appointment time. Please do not arrive at the Embassy more than 30 minutes before the scheduled appointment time.

**Only applicants with appointments will be admitted into the Embassy.** Exceptions will be made only if the applicant is under 18, if the applicant requires an interpreter or if the applicant is disabled and requires assistance. The parent, guardian, or interpreter must have valid photo identification.
